Free dental implant consultation

Having missing teeth can knock your confidence, as well as affect the way you eat and speak. Shirley Avenue Dental Care implants offer a long-lasting and discreet choice for replacing missing teeth.

Latest procedures, instruments & techniques

We offer a full range of services from early decay detection and oral hygiene maintenance through to advanced treatment such as root canal therapy, veneers and implant dentistry.

Looking after your child's oral health too

We look after your child's oral health as well as yours. We pay equal attention to a child's physiology as to their psychology, making sure they don't grow up afraid of dentists.
